

How to Use the Cal Long Term Care Compare Website

www.callongtermcarecompare.org

NAVIGATING THE WEBSITE

Follow the instructions below to search and compare nursing homes in your area.

- To search for nursing homes in your area, visit the [Home Page](#) and Search Nursing Homes by typing in the zip code, city, or name of the nursing home.
- Your results will appear on the left-hand side of your screen. Select the nursing home and review the "At a Glance" section to learn more about the facility and performance on key metrics such as staffing and vaccination rates. Select the (?) and (+) signs to learn more about the measure collected and to access additional details by category.
- By selecting Save Provider, your nursing home will be saved under My Favorite Nursing Homes for future reference. **You can save up to six nursing home providers at a time.
- To compare the nursing homes you have saved and view them side by side, select My Favorite Nursing Homes and click on Compare Nursing Homes.
- Above Save Provider, there is an option to save your nursing home details in a PDF file, print the page, or share the link to the page via email.
- You may return to the search results to research, save and compare other nursing home providers

Start your search for nursing homes today! [Click here](#) to access the website and start your comparing!

Make an educated choice about nursing home care in California.

CHOOSE THE RIGHT NURSING HOME

Cal Long Term Care Compare makes it easy for individuals and caregivers to start the process of selecting the nursing home that is right for them. The free website offers an unbiased one-stop snapshot of how local facilities measure up against each other and to statewide averages on a variety of quality metrics. All you need to do is enter your zipcode and start to compare.

WHAT RESOURCES WILL YOU HAVE?:

- How to use the website,
- How to understand your needs,
- How to use data to compliment the decision-making process, and
- Guidance on how to assess nursing homes in person using a Site Visit Checklist.

OUR GOAL:

Provide individuals and families with comparative information on nursing homes so that they can make an informed decision.

ABOUT US:

Cal Long Term Care Compare translates publicly available data from trusted sources in an easy-to-read format. Because CLTCC is a not-for-profit, non-commercial entity, individuals, and caregivers can be assured that the information is objective and unbiased. The data on the website is updated on a bi-annual basis, in June and December of each year.
